RE: "CABLOFIL" CABLE MANAGEMENT SYSTEMS

Dear Sir:

Thank you for your inquiry regarding the "CABLOFIL" cable support management system to be considered for installation in Canadian Registered Vessels.

We have accessed the website referred to in your email to Mr. J Lynch November 12, 2004 and reviewed the information provided therein.

We are pleased to inform you we find the cable management system "CABLOFIL" acceptable for installation in Canadian Registered Vessels provided the system is installed in accordance with the manufacturers recommendations and to the satisfaction of the attending marine surveyor.
